United States District Court

Southern District of Florida

United States of America,
v.
Lionel Hanna.

Case NO. CR-Z LOCH

Request For Bond

1) Lionel Hanna has been confined for more than thirty five (35) days and it has taken its magnitude upon his family and himself — That is to say mentally and financially. The Court has already recognized Lionel Hanna's poverty and declared him indigent;

2) State Officials and Government Officers have been known to construe issues, fabricate evidence and to lie upon the witness stand; and if anyone states causes why Lionel Hanna should be denied bond, the Court with its judicial power should at least allow Lionel Hanna the opportunity to refute the cause(s);

3) Lionel Hanna was born and raised in the United States of America and has no intentions of ever jumping bond — In fact, Lionel Hanna promises that if granted a bond, he would make all court appearances. Neither poverty nor prejudice should hold a candle up against the Equal Rights Law.

Prayers

Thereby, Lionel Hanna prays and requests that he be granted a bond that would meet within his poverty.
